

UltiLab™

DG2212

4 Mil Disposable nitrile examination gloves offering combination of protection, comfort, and versatility, making them a reliable choice for various professional and personal applications.

Applications

- Used in environments where workers handle chemicals, oils, or potentially harmful substances.
- Safe for handling food products, ensuring hygiene and safety standards are maintained.
- Mechanics and automotive workers use nitrile gloves for their resistance to oils, greases, and chemicals.
- Ideal for use with household and industrial cleaning agents, providing protection against chemical burns and skin irritation.

EN ISO 21420:2020

Product Specification

Material	Nitrile
Colour	Blue
Powder Free	Yes
Grip Pattern	Finger Textured
Cuff Style	Rolled
Size	M-XL

Packaging Information

100 Pieces / Dispenser Box
1000 Pieces / Carton
Carton Dimension - 36.5x25x25cm
Carton Weight - TBD

SKU Information
